Introduction

As the manager of our trainee for the duration of their flexi placement within your organisation you are requested to complete an on-line feedback questionnaire in order that we may monitor their progress. The feedback questionnaire should be completed during week 6 of the flexi placement.

The on-line form is accessed by logging on to Talent Studio.

Your login details will be emailed to you during the flexi placement.

Once completed, this form will be accessible by the trainee and their NHS Managers.

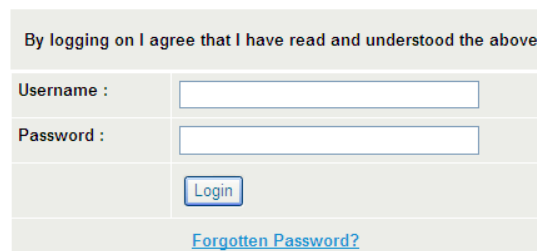

The trainee and their Programme Manager will also be asked to complete feedback forms. For your reference examples of all three forms are contained within this document.

Logging in to Talent Studio

To log in to Talent Studio you will need the URL (Internet address), and a username and password that will have been provided to you separately.

Click on the URL link (or type the URL into your browser's menu bar) to navigate to the login page.

Example Flexi Placement NHS Programme Manager Feedback Form

The NHS Graduate Management Training Scheme (part of the NHS Institute for Innovation and Improvement) are accountable for monitoring the safety and performance of graduate trainees whilst undertaking attachments as part of their flexi placement scheme experience.

The programme manager has the overarching responsibility for the support, training, learning and development of a trainee for the duration of his/her 2/2.5 year training programme.

As you will know, trainees completed a proposal questionnaire prior to their flexi placement approval. This demonstrated the links between the flexi placement, their Personal Development Plan (PDP) and specialism competencies.

We seek your assistance in monitoring the trainees' progress against these objectives. Your feedback on overall trainee performance, learning and attainment of agreed objectives will assist the continuance of specialism competencies and PDP for their final placement.

Please meet with your trainee within four weeks of the end of the flexi placement to discuss flexi placement manager and trainee feedback forms. Use this discussion to inform the completion of this form:

<p>1. Overall has the Trainee performed against the objectives, specialism competencies and PDP outlined in the proposal questionnaire?</p>
<p>2. If progress was not achieved please state the key development areas that will need to be built into Placement two.</p>

3. Please highlight key achievements and/or transferable learning that will benefit the NHS.
4. Did your trainee require any additional support from you during their flexi placement?
5. The flexi placement was of great value to the trainee:
6. The flexi placement was of great value to the NHS:
7. Would you recommend the host organisation for future flexi placements? Please give reasons.
8. We would welcome your views on the value of the flexi placement to the trainee and the NHS and any feedback you may wish to give on improving the overall experience for organisations and trainees.

Example Flexi Placement Trainee Feedback Form

This report is a reflection on your whole flexi placement experience. So ensure you link it back to the objectives outlined in your proposal. This feedback is crucial for your own personal and professional development and may also assist you in your preparations for Placement 2:

Please complete the following sections:

1. Please detail how you achieved your key learning objectives?
2. Please detail how you developed your competencies further?
3. What were the personal learning outcomes that you achieved?
4. What are the learning points that you are transferring back to the NHS?
5. Would the flexi placement be suitable for a future trainee? Please support your answer:
6. Were there issues which came to light during your flexi placement which may make for a useful follow up and if so please detail?
7. How do you intend to transfer your learning to your specialism, your organisation and the NHS generally? Please give details of how this will happen.
